Serial No

1921, The Manager - Sri Subramanya Sala - has requested to refund to him the amount that he has paid to the Contractor in excess of what was legitimately due to him, according to the Chief Electrical Engineer, for the work done and the materials supplied by him.

6. As the excess to refundable was to part lent to the Dharmasala, I do not think that it can be recovered from the Manager as an arrear of land revenue.

7. The conduct of Sri Subramanya Sala shows that he is unfit to continue as manager but before passing final orders, the report of the D Commr on the pending Case may be awaited. The D Commr may be informed that the present reference will be disposed of after the receipt of his report about the pending cases.
